

Dr. Randall Ferrell Holistic Chiropractic

---

Dear Patient,

Welcome to our office. Our practice is dedicated to individualized health care. That creates substantially more work for both myself and my office staff. To help us run things smoothly for everyone, I ask you to be on time for your appointments, but I also ask you to be patient if I'm running a little late. If someone needs it, I will give some extra time to help them. Please understand I would do the same for you. I also require at least 24 hours notice if you have to change your appointment time. There's a reasonable fee charged to you otherwise.

Insurance companies have the prerogative to refuse payment for treatment. We will do what we can to help you collect from them, but ultimately you are responsible for any and all fees for treatments.

I look forward to working with you to improve your life as well as your health.

Sincerely,

*Randall W. Ferrell*
